Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	David Talman	
Address	ROSE COTTAGE, STATION ROAD, LOXWOOD, BILLINGSHURST, RH14 0SN	
Type of Comment Comments	Objection	
	I am very much against this proposal due to the environmental impact it will have on the surrounding area. The increased traffic on roads that are unsuitable to cope with the extra strain intern leading to damaged road surfaces and verges. The total disregard to the natural environment including bats of which we have 4 threatened species currently living in the ancient woodland which also provided a valuable habitat for countless other species.
