Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Simon Nobes	
Address	LOWER ROAD, 43, LOWER ROAD, HASLEMERE, GU27 2DR	
Type of Comment	Objection	
Comments	This is a deeply undesirable application. The project will seriously degrade a site of significant ecological value. The restoration proposals are flawed, inadequate and in no way compensate for the damage to an existing nuanced and sophisticated ecosystem.
