Comments	<input type="text" value="I object to the application by Loxwood Clay Pits Ltd for the following reasons:
There is no demand for clay in West Sussex so therefore no need for a clay pit, so no need for a waste site to be established.
Pallinghurst Wood is a greenfield site, not a brownfield site as required.
The surrounding roads are not wide enough for the anticipated HGV's.
The lorry route to and from the A281 is more than the recommended distance of 3.25km.
The HGV's will be driven through ancient woodland to the detriment of the flora and fauna.
For these reasons I object to this planning application.
Please note that although the web site says the date set for comments has passed I have submitted this at 16.42pm on the 30th August within the time allowed."/>
