Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="This proposal will create a huge increase of HGVs on rural roads, increasing pollution, noise and disturbance for the surrounding areas.
The A281 is already a very busy and dangerous road and this will only be worsened with dozens of HGVs a day using it. The proposed use of the junction to the A281 will cause further risks.
Residents in Loxwood Road will be blighted by heavy traffic, noise and pollution and it will create danger for pedestrians and for residents entering the road by car from their driveways."/>
