

# Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Sarah Speers"/>
Address	<input type="text" value="SYDNEY WOOD COTTAGE, ROSEMARY LANE, ROSEMARY LANE, CRANLEIGH, GU6 8EZ"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I object to this application on several grounds.</p> <p>There is no demand for more clay in the area. There are enough clay pits in the area, in fact one has just closed because of lack. of demand.</p> <p>The site is a Greenfield site and should not be developed. The woodlands are the home to species that are protected including bats. Removing the forest and adding a huge building will be terrible for the environment. Part of the woodland is Ancient Woodland which is irreplaceable. Many people walk in these woodlands and this tranquil site will be lost. Noise disturbance will be caused by the lorries, wheel wash and excavators.</p> <p>The increased traffic will be dangerous and unmanageable. Cyclists and pedestrians will be at risk as well as horse riders who use the road frequently.</p> <p>The roads are busy and narrow and cannot cope with heavy goods trucks</p> <p>The clay is not needed and the site is unsuitable.</p>
