Comments	<input type="text" value="I have lived in Loxwood go over 17 years and love to walk in the woods and elsewhere. The amount of traffic will cause omissions and damage to our health and wellbeing. Also rat runs will be used and horses, walkers, children, will be in danger, many bends you can't see and pot holes that may cause more damage. Many riders on horse back may also be in danger Please consider before you allow this to happen."/>
