## Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Maisie Ellen Lockwood
Address	HAWKSFIELD, RICKMANS LANE, RICKMANS LANE, BILLINGSHURST, RH14 0NT
Type of Comment	Objection
Comments	I object to the application as someone who enjoys Pallinghurst Woods for walking and enjoying the natural beauty of the woodland. To excavate the land and destroy the trees and hedgerows will decimate this beautiful area. I see lots of wildlife when I visit the woods to walk our dogs and were this application to go ahead it would destroy their natural habitat. The noise and fumes will drive the wild birds and deer away. I am a road user and feel that the increase in traffic especially the number of HGV's will make the roads around Pallinghurst woods dangerous and increase the likelihood of accidents. I think that this application has been made without any thought to the impact on local residents , road users and people such as myself who enjoy the peace and tranquility of the woods.
