Comment for planning application WSCC/030/21

Application	WSCC/030/21	
number		
Name	Anthony Luckham	
Address	FRESHWOODS, 3, FRESHWOODS, HORSHAM, RH12 3BZ	
Type of Comment	Objection	
Comments	I strongly object to this application. The proposed development would lead to totally unacceptable traffic movements on a road which is not suitable for the volume of HGV movements allied to the clay extraction. The clay is not needed, as there is sufficient clay available already within the county. The proposed development will have a significant, adverse environmental impact. Conservation is needed, not damage. I trust that this application will be rejected.
