Address	OAKFIELD, PLAISTOW ROAD, PLAISTOW ROAD, BILLINGSHURST, RH14 0TU	
Type of Comment	Objection]
Comments	I strongly object to this planning application This should be a protected conservation area these woodlands are thriving with wildlife, have public footpaths running all through them which is enjoyed by many which has an important amenity value. we should be protecting our ancient woodland and not destroying it as per paragraph 175 of National Planning Policy Framework and Natural England's Standing Advice on Ancient Woodland.	
	The surrounding villages don't have the infrastructure to cope with the heavy vehicles running through them and will cause huge noise disturbance and pollution.
