Comments	<p>I have a number of objections against this proposed site.</p> <ol style="list-style-type: none">1. I have two young children and I feel the increase use of lorries along Loxwood Road where my family lives will lead to increased danger to my children when they ride their bikes or cross the road.2. The pits will destroy historic and valued walking paths and woodland3. The current road infrastructure is not sufficient to support the heavy vehicle traffic4. There are environmental and pollution problems which will be caused by this development.5. It will cause a significant increase in traffic noise. <p>This project must not go ahead.</p>
