

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="James Dickinson"/>
Address	<input type="text" value="ROMAN WAY, 39, ROMAN WAY, BILLINGSHURST, RH14 9QU"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I strongly object the proposed repurposing of the concerned woodland. Having lived in the area for the past 7 years I have seen the huge benefit the ancient woodland has on numerous members of the community.</p> <p>I myself compete in equestrian Endurance for the GB squad and use the bridleway network at least once per day throughout the year. Should the planning application proceed I would have to completely rethink my daily route.</p> <p>Loxwood road is already a busy and fast road with a number of bends with poor visibility. Should the proposed number of lorries be allowed I fear the number of incidents along it can only increase.</p> <p>Many different types of users use the road and access highlighted in this application - all of these would be negatively impacted by the proposed changes - I honestly cannot envisage a single positive out come. The road users include horses riders , walkers, cyclists, carriage drivers all of which can only be negative impacted.</p>
