Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Amanda Kimberley	
Address	OAK VIEW, LOXWOOD ROAD, LOXWOOD ROAD, CRANLEIGH, GU6 8HG	
Type of Comment	Objection	
Comments	Having read about this proposal, I must strongly object. I see no demand for such excavation given there is enough material to satisfy demand for the next 25 years. Transport daily (42 HGV journeys) will hugely affect all residents for miles and not just in the local vicinity. I am concerned about the disruption to public rights of way and the danger to pedestrians, horse riders and cyclists. I see no need to disturb the wildlife and woodland which should be left well alone - surely there are more suitable brownfield sites available where the environmental damage will much less impactful? No argument for this development outweighs the environmental and social disruption and damage it will cause. I implore West Sussex County Council to consider carefully the objections to this application and listen to the people who live there.
