Dear Sir, Madam

**REF: Planning Application Number: WSCC/030/21**

I am writing to object to the Loxwood Clay Pits Ltd Planning Application (reference number above)

My objections are as follows:

- 1 There is **no benefit** to the local community in any way for this commercial waste recycling plant and associated creation of clay pits.
- 2 The increase in traffic along the narrow roads which give access to this site will be dangerous and unacceptable. These roads were not designed for numerous HGV traffic movements. In addition, they will cause an increase in light, noise and air pollution in the area. All of these the council should be working on means to DECREASE and not increase.
- 3 We need to protect areas of outstanding beauty, namely Pallingshurst Woods.

**I urge the planning committee to reject this application.**

Thank you

Yours faithfully
