I object wholeheartedly to this ridiculous application to spoiling beautiful woodland for the clay pit. Having grown up in this area, enjoying woodland dog walks in this lovely place and seeing all the stunning bluebells every Spring, it seems utterly awful that all this will be ruined. I also object to all the additional traffic the site would produce with lorries everyday going up and down Loxwood Road where I regularly take my young family and young baby in a pram for walks whilst staying with my mother who lives on the Loxwood Road. They and my mother would be put in great danger with extra heavy vehicles on this road. Please do NOT go ahead with this crazy idea.
