

Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	James Brew
Address	IVY VILLA, HERMONGERS LANE, HERMONGERS LANE, HORSHAM, RH12 3AH
Type of Comment	Objection
Comments	<p>Further to my initial objection, I would like to respond to the additional information supplied by LCP Ltd. It appears that this new information is unsubstantiated in nature. For example, there is no evidence submitted regarding the "shortfall of clay availability in Surrey", and that no named "potential" customers for this clay have been identified. A large clay pit on this scale simply cannot go ahead without detailed and clear evidence to support each claim from the applicant.</p> <p>There are also safety concerns regarding safety to users of the footpath, in particular how the deep clay pits will be fenced off from the public - another small detail which the application has failed to address.</p> <p>In light of these points raised, I strongly object to this application.</p>
