

# Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Richard Ayres"/>
Address	<input type="text" value="OAKEN BARN, BILLINGSHURST, RH14 0RW"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I should like to reconfirm my previous objection comments in light of the new information from the applicant.</p> <p>This further information adds nothing of merit to their application in my opinion, as it still contravenes the County Policy for Minerals - M5. It also still fails to mention a single potential customer for any clay and will damage a beautiful woodland for generations through an industrial commercial activity which could be sited better elsewhere and will pose daily risks to users of the woodland, Loxwood Road and the wider area.</p>
