## Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Anne Owen
Address	OAK GROVE, 2, OAK GROVE, BILLINGSHURST, RH14 0DN
Type of Comment	Objection
Comments	I do not understand why the Council is not standing by the current Mineral and Waste policies in force.  Concerning demand for clay for brick making I know of several brickworks that have closed in our area due to lack of demand for bricks. If the demand for clay is out of our area, no doubt transportation costs would prevent the desire for clay sourced in West Sussex.  My comments re traffic and woodland/ wildlife/ safety still stands as no comments resolving these issues have made any difference in favour of the applicant.
