## Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Dennis Owen
Address	OAK GROVE, 2, OAK GROVE, BILLINGSHURST, RH14 0DN
Type of Comment	Objection
Comments	I can't understand why the council is not adhering to the current Minerals and Waste policies that are already in force.  Concerning demand for clay for brick making I know of several brickworks that have closed in our area due to the lack of demand for bricks. if the demand for clay is out of our area, no doubt transportation costs would prevent the desire for clay sourced in West Sussex.  My main concerns are regarding traffic and woodland/ wildlife and safety as mentioned in my previous correspondence still apply as no comments resolving these issues have made any difference in favour of the applicant.
