Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Jennifer Monk
Address	Bluefields, Spy Lane, Loxwood West Sussex RH14 0SS
Type of Comment	Objection
Comments	 We want to object most strongly to this proposal. 1. This is a greenfield site with many species of protected animals and birds 2. Public rights of way and bridleways will be destroyed. 3. WSCC already has in excess of 25years of clay reserves so there is no need for any more. 4. The noise and traffic pollution. 5. The local infrastructure would definitely not support the considerable increase in lorries. We completely object to this.
