Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Brian Allen	
Address	WOODFIELD ROAD, 22, WOODFIELD ROAD, HORSHAM, RH12 3EP	
Type of Comment Comments	Objection	
	In my opinion, the additional information submitted by the applicant doesn't change my original objection to the proposed site. The applicant seems to think that the longer his submission, then the more weight it carries. He must be living in cloud cuckoo land as all he has submitted is largely waffle The Loxwood Road is still unsuitable for numerous large lorries and the junction with the A281 is not good. The demand for clay locally has not been proved. The proposed site is in an area of ancient habitat. Please refuse this application.
