Comments	<p>1. Safety and wellbeing</p> <p>Upwards of 42 multi axle HGV's daily, using Loxwood Road, and other minor roads in the immediate area to access the proposed site will:</p> <ul style="list-style-type: none"><li>- Increase risk of collision, injury and death on narrow roads not suitable for that level and type of traffic.</li><li>- Increase noise pollution in a quiet rural location.</li><li>- Increase air pollution.</li></ul> <p>The creation of a new access road through local woodland, will in addition to disturbing a woodland habitat by increasing the noise and air pollution mentioned above will:</p> <ul style="list-style-type: none"><li>- Obstruct footpaths with the associated right of way</li><li>- Increase the risk of collision /injury with walkers (and dogs).</li></ul> <p>2. Reside outside the consultation area</p> <p>It is inappropriate to propose that objections from persons living outside the consultation area not be considered as:</p> <ul style="list-style-type: none"><li>- the existing footpaths in the woodland are for the enjoyment of everyone</li><li>- the risk of , injury or death from collision with HGV's relates to all road users, not just those live in the consultation area.</li><li>- the destruction of woodland has a bearing on climate change which is impactive on everyone.</li></ul>
