Comment for planning application WSCC/030/21

Application number	WSCC/030/21

Address	GREYLINGS, CHURCH STREET, CHURCH STREET, HORSHAM, RH12 3EE	
Type of Comment	Objection	
Comments	Following my original objection. I would like to stress there is nothing Chris Williamson can say that will alter the fact that there will be destruction and pollution in this ancient woodland ,to the detriment of the wildlife. The people that moved to the countryside for peace and quiet will now be living next to an industrial site. The road is not suitable for such heavy traffic day after day for decades. The access to the A281 is never going to be safe. Please don't let this be another Plaistow biogas disaster, with rubbish from miles around being dumped in Sussex woodland. I object strongly to this application.
