

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Jane Adorian"/>
Address	<input type="text" value="GIBBONS MILL FARM, BILLINGSHURST, RH14 9BL"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="WSCC have more than 25years of reserves of clay as per the councils own report. Demand for clay does not justify a new pit , recently emphasised by the closing of West Hoathley brick works. There are no brick works local to this pit making this extraction economically and environmentally unjustified. Health and safety concerns on local public rights of way because of traffic movements , not appropriate to close footpath 792-1 for 33years. Proposed operation brings no apparent benefit to the local community nd therefore does not comply with Chichester District LP plan."/>
