Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Anthony Forsyth	
Address	GENNETS FARM, BILLINGSHURST, RH14 0QN	
Type of Comment	Objection	
Comments	I stand by all the objections I put forward in the first round. No application of this nature , in such a sensitive area of precious ancient woodland, should be given the time of day, if it does not comply to the letter with WSCC minerals and waste policies.
