Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Marilyn Quail	
Address	KILNFIELD ROAD, 2, KILNFIELD ROAD, HORSHAM, RH12 3EL	
Type of Comment	Objection	
Comments	Transport: The number of vehicle movements used to remove clay from the site and deliver waste to the site has been greatly underestimated. I use that road regularly by car and bike. The massive increase in traffic especially large trucks will make the possibility of serious accidents far more likely not only along that fairly narrow road but also at the junction with the A281 at Bucks Green.
