## Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Steve Fickling
Address	ORCHARD HILL, 28, ORCHARD HILL, HORSHAM, RH12 3EQ
Type of Comment	Objection
Comments	In spite of the additional information submitted by the applicant, the reasons for my objection remain the same.  Additional heavy traffic on narrow local roads will be hazardous to the many walkers, cyclists and horse riders that use them.  Destroying Ancient habitat for no justifiable reason is criminal.  Extracting clay that has no local use or purpose is pointless so it must be the recycling that is the

Very little clarity in the application but much contradiction.

I and a wide group of friends who visit for all over the world visit this area on a regular basis for walking and exercise. It is a brilliant haven for wildlife, whether it is nightingales and owls, butterflies and bees or deer and badgers, it would be a crying shame to lose all this because of the greed of one family.
