Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Filomena Forte
Address	LILAC COTTAGE, TISMANS COMMON, TISMANS COMMON, HORSHAM, RH12 3DU
Type of Comment	Objection
Comments	I am further objecting to the planning application WSCC/030/21 on the following points. 1. There is no evidence of a shortfall of clay in Surrey. The only evidence is that there is no shortfall but excess clay and no more is needed. There are no potential customers for the clay named. It makes me think that perhaps clay is not of primary concern to them for planning. 2. All the wildlife issues have not been addressed. There do not appear to have been proper and full surveys done for all the varied wildlife in that area. 3. There are serious implications on the safety issues concerning the public rights of way and this has not been addressed satisfactorily.
