

# Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Jill Power
Address	3 The Gardens Rudgwick RH12 3XP
Type of Comment	Objection
Comments	As a local resident I absolutely object to this planning application. Were it to go ahead it would significantly change the whole area increasing commercial traffic on local roads that are not equipped to cope with such demand as well as generally impacting the local environment. It is a completely unnecessary proposition and very damaging to the fabric of local village life.
