## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Jennie Angell	
Address	FURZE ROAD, 9, FURZE ROAD, HORSHAM, RH12 3ES	
Type of Comment	Objection	
Comments	As a resident of nearby Rudgwick I object to this plan on the grounds of the severe environmental impact/ damage to the land in question alongside the increased pollution from vehicles needed to execute the project. Also to the disruption of traffic flow during the process and the permanent increase of traffic on local rural roads.
