Comments	<input type="text" value="I would like object to this planning application,
1, loss of animal habitat in the woods
2, the access road is way too small, I live on this road and it is too small now
3, the need for bricks is declining, builders use a better and more friendly to the environment substitute now
4, loss of walking area in the woods
These are bullet points but I am concerned about the distraction of the woodlands, destroying the wildlife habitat, lorries coming up and down the road that is too small. I was told that access would only be from Bucks Green end but I am now told they will access the site from anywhere they want.
Please don't let this go ahead!!"/>
