## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Karina Wright	
Address	BARNSFOLD COTTAGE, BARNSFOLD LANE, BARNSFOLD LANE, HORSHAM, RH12 3BN	
Type of Comment	Objection	
Comments	Having looked at the "additional information and rebuttal" material submitted by the applicant, which seems to be little more than a random selection of documents complaining about the local community's opposition to the application, criticising the County Council and others, and advertising a brickmaker in Dorset, my previous objection stands. I cannot see anything in the applicant's latest material which changes anything at all. They have not dealt with the key grounds of objection flagged by so many of the local community, including the stark inapproriateness of this tranquil woodland location for a commercial quarry and waste operation. Nor it seems to me have they done anything to substantiate so many of the questionable claims made in the original application. Accordingly, I object fully and unreservedly to this application.
