

Comment for planning application WSCC/030/21

Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Anthony Parker"/>
Address	<input type="text" value="TOLL GATE, DRUNGEWICK LANE, DRUNGEWICK LANE, BILLINGSHURST, RH14 0RS"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>As you can see I live in Drundgewick Lane and have done for the pass 18 years. During my time here I have seen many changes, the main one being the amount of traffic that uses the Lane. The Lane itself has suffered with pot holes, the verge being broken up with the delivery lorries that us the Lane as a cut through.</p> <p>If this planned application goes through and we are subjected to even more movements the Lane will suffer. Not only is the Lane used by us residents but walkers and horses riders.</p> <p>I myself was a truck driver for may year and can state categorically that if there is a short cut to shorten a journey it will be taken, because time is money.</p> <p>I hope my comments are take as a concerned resident.</p> <p>Anthony Parker</p>
