Application number	<input type="text" value="WSCC/030/21"/>
Name	<input type="text" value="Richard Mason"/>
Address	<input type="text" value="1 CROSSWAYS COTTAGES, TISMANS COMMON, TISMANS COMMON, HORSHAM, RH12 3BL"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>I have closely looked at the applicants additional submissions and still fail to see any merit on any level to any party other than the applicant to this proposed development.</p> <p>I continue to believe that this development will be to the detriment of residents over a large area, to the environment and to wildlife.</p> <p>My original objections still stand and in light of recent highway rule changes I believe the movement of numerous HGV movements make this development accessing the restricted width Loxwood Road even more dangerous.</p> <p>This application carries no merit in this location and I strongly urge the council to reject it.</p>
