Application number	14/0.00/2002/04
Application number	WSCC/030/21
Name	tony Matthews
Address	HOLMEWOOD, BILLINGSHURST, RH14 0PJ
Type of Comment	Objection
Comments	I continue to object to this application. - The business case is unpersuasive and likely to lead to a significant waste of public money. - The impact on local roads and traffic will be horrific. - The proposal is totally out of step with national policy and the "green agenda".
