Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Gary Postlethwaite	
Address	GLEBELANDS, 2, GLEBELANDS, BILLINGSHURST, RH14 0SW	
Type of Comment	Objection	
Comments	I wish to object to this plan because quite simply, the environmental impact of establishing such a facility in this location would be devastating. I have no doubt that many specific reasons will be stain other objections, loss of habitat, destruction of ancient woodland, heavy lorries on the narrow robetween Loxwood and Bucks Green to name but a few. Should this scheme go ahead, in my view, claims by West Sussex County Council that it cares for the environment will have no credibility whatsoever.	oad
