## Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	Kate Buitendach
Address	NORTH COTTAGE, BILLINGSHURST, RH14 0QW
Type of Comment	Objection
Comments	On review of the latest information published by the applicant, I still fail to see any merit to this proposed development. I continue to believe that this development will be to the detriment of residents, environment and wildlife. My original objections dated August 30th, 2021 still stands. Additionally, with the latest changes to the highway rules the addition of large numbers of HGVs will make for even more dangerous road use conditions. This application really carries no merit in this location and I strongly urge the council to reject it. Regards
