

Comment for planning application WSCC/030/21

Application number	WSCC/030/21
Name	MRS SANDRA WARD
Address	THE RED HOUSE, LOXWOOD ROAD, LOXWOOD ROAD, HORSHAM, RH12 3DR
Type of Comment	Objection
Comments	<p>I have considered the additional information from the applicant & conclude it adds nothing & shows the applicant & their agents at Protreat in a very unfavourable light. I stand by my original objection.</p> <p>That they have the audacity to suggest that if you reside outside their restricted consultation area your opinion should not count. It is our democratic right to be able to comment on a planning application no matter where we live. It is for WSCC to decide the correct criteria & policies not the applicant.</p> <p>The applicant should also be abiding by WSCC Waste & Minerals policy not decrying it.</p> <p>I am even more concerned regarding the safety of PROW users now that footpath PROW 792-1 is not to be closed. How will the effect on theses users be mitigated for the dust, noise etc? With the new highway code changes the HGVs will only be able to go a maximum of 10mph when close to pedestrians, cyclists & equestrians even on PROWs & bridleways.</p>
