## Comment for planning application WSCC/030/21

Application number	WSCC/030/21	
Name	Sarah Hargreave	
Address	WILLOW TREE COTTAGE, SPY LANE, SPY LANE, BILLINGSHURST, RH14 0SS	
Type of Comment	Objection	
Comments	<ul> <li>I object to this planning application for the following reasons.</li> <li>See comments already submitted in Aug 2021. These are still valid reasons.</li> <li>No evidence/data to suggest that there will be a shortfall of clay in the local area</li> <li>Transporting clay is uneconomic and harmful to the environment.</li> <li>Road/infrastructure is unsuitable for this type of development. More vehicles would be required impacting on road safety eg children, horses, cyclists plus increase maintenance costs.</li> <li>More vehicles impacting on A281 which is already overstretched because of the new housing development and other local A and B roads.</li> <li>Local people use this area for recreation and want to be kept safe. Protect the wildlife and protect the area for future generations.</li> </ul>
