Comment for planning application WSCC/046/23

Application number	WSCC/046/23
Name	Paula Cooper
Address	HOWICK COTTAGE, BILLINGSHURST, RH14 9BQ
Type of Comment	Objection
Comments	This company has a track record of delaying and non fulfillment of its obligations to restore sites. It has been several years now for the Broadford Bridge site. WSCC needs to learn lessons from the Markwells Wood fiasco. Our energy security is meaningless when these companies will be selling to the highest bidder anyway. Future alternative uses of the site needs to come from companies with a proven track record
Received	in that field and show they have the funds to carry out works and/or clean up after. 04/01/2024 12:31:53
