## Comment for planning application WSCC/046/23

Address	CROFTS HOUSE, BARKFOLD, BILLINGSHURST, RH14 0JH	
Type of Comment	Objection	
Comments	UKOG stopped work on the site nearly six years ago and this is the 4th application by UK Oil & Gas ploto delay restoring the well they drilled at Broadford Bridge. The company is not well funded, and you risk the council taking on the responsibility and costs of restoring the site if they were to go into liquidation. It would be irresponsible of the council to allow this unnecessary extension.
