Application number	WSCC/046/23	
	<u></u>	
Name	Philip Maber	
Address	GARDEN COPSE COTTAGE, CHICHESTER, PO18 0HH	
Type of Comment	Objection	
Comments	This is the 5th or 6th time that an extension has been applied for (all previously granted). It is obviously far cheaper than the site restoration that was agreed in the original application Consider the likelihood that geothermal for growing tea is greenwash.
