Comment for planning application WSCC/046/23

| Application number | WSCC/046/23 |

| Name | Philip Maber |
| Address | Garden Copse Cottage, Singleton, Chichester, West Sussex PO18 0HH |
| Type of Comment | Objection |
| Comments | Adding to my previous comment - It is a shortcoming of National Policy that a Ring Fenced Fund (frequently topped up for inflation) for site restoration and Biodiversity Net Gain is not a Legal Requirement for oil and gas extraction development. It is clearly within the remit of WSCC to implement such a fund. Add in for decontamination. |
