Comment for planning application WSCC/046/23

Type of Comment	Objection	
Comments	I am writing to object to UKOG's attempts to delay restoring the well they drilled at Broadford bridge. It has been six years since the company stopped work here and they have had 3 extensions already. It is time for the council to put a stop to this and ask them to fulfil their obligations to restore the site. It is harmful to nature and the community for further work to be considered here.
