Application number	WSCC/046/23
Name	Lynne Waylen
Address	SALTHILL ROAD, 83, SALTHILL ROAD, CHICHESTER, PO19 3QD
Type of Comment	Objection
Comments	I strongly object to planning application WSCC/046/23 . UKOG has already delayed restoring the well they drilled at Broadford Bridge and surrounding environment 3 times. Please decline its recent request / application for potentially generating geothermal energy and tea industry. Sincerely hope no one is going to swallow that perceived aim. Instead demand that they spend their money on plugging the well and restoring the environment .
