Comment for planning application WSCC/046/23

Application number	WSCC/046/23	
Name	Lisa Scott	
Address	3 CHILTERN COTTAGES, REIGATE ROAD, REIGATE ROAD, HORLEY, RH6 0AS	
Type of Comment	Objection	
Comments	I object to this application. Had the applicant had any serious intention about this development then it should have been done by now. Extending the development life leaves more opportunity for the applicant's business to fail (it is not significantly profit making) and I am concerned that there will be insufficient funds to fulfil the obligations of returning to original state.	
	Extracting additional oil / gas is not in line with the UK's legal obligations to comply with the Paris climate accord. The planet has already reached 1.48 degreed above pre industrial levels, the IPCC advises we must keep within 1.5 degrees rise in order to avoid the worst affects of climate change.
