Comment for planning application WSCC/046/23

Application number	WSCC/046/23	
Name	Nikki Sanger	
Address	WILLOW WAY, 7, WILLOW WAY, HASSOCKS, BN6 9TG	
Type of Comment	Objection	
Comments	Please don't go ahead with this.climate change is a real issue and we need to keep carbon in the ground. Fracking is a ridiculous dangerous move to try and get more carbon out of the ground to burn and put into our already polluted air. Please invest in renewable energy instead.
