

Comment for planning application WSCC/046/23

Application number	WSCC/046/23
Name	Brenda Evans
Address	8 Maypole Road Ashurst Wood East Grinstead RH193QN
Type of Comment	Objection
Comments	I believe the granting of an extension to their planning application should not be granted. They are wasting time. The company should instead restore the site to how it originally was, which are obliged to do.
