Comment for planning application WSCC/046/23

Application number	WSCC/046/23		
Name	Adrian Watkins		
Address	21 Park Avenue		
Type of Comment	Support		
Comments	UKOG need to test Hor Broadford Bridge . Mor	ur years of protestor legal challenges have delayed further drilling and testing at Horsehill Surrey. COG need to test Horsehill first as they have stated in the past to gain knowledge to re enter oadford Bridge . More time is needed while we wait for the Supreme Court decision to be handed to rah Finch and Surrey County Council.	
	Thank you.
