Comments	<input type="text" value="I object to this application on the following grounds:&lt;br/&gt;- It is not sustainable, as required by the NPPF.&lt;br/&gt;- It is likely to cause earthquakes - evidence being earthquakes already caused by UKOG at comparable sites&lt;br/&gt;- Likely increased traffic on local roads&lt;br/&gt;- Planning committee have already confirmed their commitment to being 'tough' of further UKOG applications&lt;br/&gt;- Potential for leaks resulting from the processes being proposed, causing further pollution to local area"/>
