Comment for planning application WSCC/046/23

Application number	WSCC/046/23	
Name	Martin Jarvis	
Address	11 Walmer Gardens West Ealing London	
Type of Comment	Objection	
Comments	I find the very idea of exploring for/producing new oil is offensive considering the warnings issued by the IPCC. We have to stop this. Do you not believe the climate science? It is ecocidal. Ecocide is currently being defined as a crime. You are committing a crime if you proceed.
